UNIVERSITY OF KANSAS AND TEXAS A&M TAKE CHAMPIONSHIP TITLES AT 37TH ANNUAL K-STATE ED CHARTRAND MEMORIAL SOCCER TOURNAMENT

Tournament continues to attract top soccer teams throughout Midwest.

MANHATTAN, KS (April 18, 2012) – After a weekend that showcased the best in Midwest collegiate soccer competition, the women of the University of Kansas (KU) and men from Texas A&M University walked away champions at the 37th Annual K-State Ed Chartrand Memorial Soccer Tournament, April 15-17 in Manhattan, Kansas.

In the women's division KU faced off against K-State with KU winning with a score of 4-0 in regulation play. In the men's division a tie of 2-2 ended regulation play sending KU and Texas A&M into penalty kicks, with Texas A&M ending up victorious.

“Every year this tournament attracts the best in men's and women's soccer in the Midwest,” Art Chartrand, president of the Chartrand Charitable Foundation, said. “This year was no exception. As a matter of fact we were thrilled to have attracted a number of teams who had not previously competed such as Central Michigan University and Ball State. These teams traveled a great distance to compete and we believe we delivered on our reputation as a great tournament. But just ask the teams.”

As in previous years, the games represent a strong partnership between K-State, the Chartrand Charitable Foundation and the 1st Infantry, 5th Field Artillery Division of Ft. Riley. Their support was evident throughout the weekend with

through their presence and participation including an honor guard presentation of colors before key matches. The partnership is a natural one as KSU Memorial Stadium was constructed in the 1920's and dedicated in 1929 in honor the "48 Fallen" K-State students who sacrificed their lives World War I. The Chartrand Charitable Foundation, based in Lenexa, Kansas, provides sports equipment to underserved programs and organizations serving youth not only in Kansas, but also throughout the world.

The tournament is held annually during Open House Weekend and in memory of Ed "Fast Eddy" Chartrand, a former K-State soccer player from Leawood, Kans. who in 1979, died suddenly at the age of 22. The Chartrand Charitable Foundation and private donors primarily fund the K-State Ed Chartrand Memorial Tournament and its scholarship program that awards two \$500 scholarships annually. This year's scholarship recipients were Sierra Grimm, sophomore in Kinesiology, Olathe, Kansas and Kyle Ragusin, junior in kinesiology, of Overland Park, Kansas.

Additionally, Derek Engel, KU men's goalie and Emily Johnson, K-State women's midfielder, were the proud recipients of the *Dennis Cook MVP Award*. This highly coveted award recognizes Cook, a Manhattan resident and K-State graduate, who has served as tournament director for 36 years.
